Responding to the Disaster in Haiti

Dear Congregants,

In keeping with the Jewish tradition of responsibility toward all human beings, we are compelled to respond to the tragedy of the earthquake in Haiti. You have heard and read about the devastation that has hit the poorest country in our hemisphere and many have asked how we can help.

We urge you to assist in any way possible and suggest that financial support be given through the United Synagogue of Conservative Judaism. Please use the following hyperlink to donate to United Synagogue's Disaster Relief fund:

Also, please note that United Synagogue has established a way to donate using your cell phone. Text "[HAITI](#)" to "90999" and \$10 will be given automatically to the Red Cross, charged to your cell phone bill.

We hope that our contributions and prayers for the people of Haiti will help them rebuild their lives and their country.
